*- regarding intramural doctoral studies at UPT -*

**Art. 1.** In UPT, intramural doctoral studies are organised without tuition fees on a number of places assigned by MEdCT. A part of the scholarship is financed through special funds of MEdCT, and the other part from UPT extra-budgetary revenues.

**Art. 2.** The scholarships mentioned in art. 1 are awarded effectively only to the intramural doctoral students who, by free choice, become UPT employees, with the rights and obligations established through RODD and the other valid regulations.

**Art. 3.** Intramural doctoral students who do not choose the UPT employee status loose their right to a doctoral study scholarship, but not their tuition fee exemption.

**Art. 4.** The present ordinance will come into effect as from the academic year 2007/2008, thus amending and completing RODD.
