

THE NATIONAL COUNCIL FOR ATTESTATION OF ACADEMIC TITLES,
DIPLOMAS AND CERTIFICATES
(CNATDCU)

REPORT OF THE HABILITATION COMMISSION

date: 03 April 2014

SURNAME and Forename of the candidate: **POIANĂ Mariana-Atena**

Title of the habilitation thesis/main research direction:

“Bioactive compounds in food technology, with a special focus on their contribution to antioxidant properties and color stability”

Field of doctoral studies (in which the quality of the Ph.D. Supervisor will be awarded):

FOOD ENGINEERING

Name of the **organizing institution for doctoral studies** (IOSUD in Romanian) / **Organizing institution for doctorate** (IOD in Romanian) where the public presentation of the habilitation thesis is being held): **POLITEHNICA University of Timisoara**

Strong features of the habilitation thesis:

1. The work is well designed, written in a clear manner, with innovative connections between theoretical fundamentals and applicative aspects in the field of bioactive compounds.
2. The results have been recognized by the international scientific community and validated through publications in journals with high scientific visibility.
3. The thesis contributes to the development of scientific knowledge in the investigated topics.
4. The obtained results provide a wide opening for future scientific research in the field.
5. The credibility of career development plan is supported by the previous experience, demonstrated professional potential and scientific quality of the candidate.

Weak features of the habilitation thesis: Is not the case

Result of the vote / remarks / conclusions of the Habilitation Commission are motivated further:

Result of the vote regarding the acceptance of the habilitation thesis following the public presentation:

Prof. Dr. Francisc PETER - agreed
Prof. Dr. Cecilia HODUR - agreed
Prof. Dr. Ewa REMBIALKOWSKA - agreed

Remarks / Conclusions of the Habilitation Commission:

The members of the Habilitation Commission have analyzed the scientific activity and the research skills of the candidate, and agreed that all mandatory standards for habilitation have been met. With unanimity of votes, the board members agree to award the habilitation certificate to the candidate in the field of Food Engineering.

(continue overleaf if necessary)

HABILITATION COMMISSION

(SURNAME and Forename)

1. **Prof. Dr. Francisc PETER**, University Politehnica of Timișoara
- President
2. **Prof. Dr. Cecilia HODÚR**, University of Szeged, Hungary
- Member
3. **Prof. Dr. Ewa REMBIALKOWSKA**, Warsaw University of Life Sciences, Poland - Member
