

LISTA PUBLICAȚIILOR

Ing. Norbert GAL doctorand

- [1] N. Gal and V. Stoicu-Tivadar, "Computer Assisted Medical Image Interpretation Using Fuzzy Logic", 4Th International Workshop on Soft Computing Applications, SOFA, Arad, Romania, ISBN: 978-1-4244-7983-2, Iulie, 2010, 159-163 (Scopus)
- [2] N. Gal, "Choosing suitable algorithms for low level image processing in mobile equipment's", International Conference on Information Communication Technologies in Health, 8thICICTH,Samos,Vathi, Grecia, ISBN: 978-960-466-059-9, Iulie, 2010, 52-61
- [3] N. Gal and V. Stoicu-Tivadar," A Representation for Fuzzy Algorithms in Medical Imaging", 35Th National Conference on Medical Informatics, RO-MEDINF 2010, Arad, Romania, ISBN: 978-606-8054-14-8, Noiembrie 2010, 234-270
- [4] N. Gal and V. Stoicu-Tivadar, "XML as a Cross-Platform Representation for Medical Imaging with Fuzzy Algorithms", EFMI Special Topic Conference, EFMI STC, Lasko, Slovenia, ISBN: 978-1-1-60750-734-5, Aprilie 2011, 83-86 (PubMed + Scopus)
- [5] N. Gal and V. Stoicu-Tivadar, "Simulation of Medical Image Interpretation", 15ThInternational Conference on Intelligent Engineering Systems, INES 2011, Poporad, Slovakia, ISBN: 978-1-4244-8955-8; Junie 2011, 33-37 (în curs de indexare ISI; Scopus) (Indexată ISI Proc. în 2009)
- [6] N. Gal and V. Stoicu-Tivadar, "Framework For Medical Image Interpretation Using Segmented Fuzzy Inference Systems ", International Conference on Information Communication Technologies in Health, 9thICICTH,Samos,Vathi, Grecia, ISBN: 978-960-466-083-4, Iulie, 2011, 230-240
- [7] N. Gal and V. Stoicu-Tivadar, "FIS Editor for On-The-Fly Implementation in Software Environment", 9th IEEE International Symposium On Intelligent Systems And Informatics, SISY2011, Subotica, Serbia, ISBN: 978-1-45577-1973-8, Septembrie, 2011, 141-143 (în curs de indexare ISI; Scopus) (Indexată ISI Proc. în 2009)
- [8] N. Gal and V. Stoicu-Tivadar, "Semantic Analysis of Medical Images Using Fuzzy Inference Systems", The First International Conference on Intelligent Systems and Applications, INTELLI 2012, Chamonix, France, ISBN: 978-1-61208-224-0, Aprilie 29 – Mai 4, 2012, 66 - 70.
- [9] N. Gal and V. Stoicu-Tivadar, "Knowledge Representation for Fuzzy Inference Aided Medical Image Interpretation ", 24th European Medical Informatics Conference - MIE2012 - in Pisa, August 26th -29th, 2012, 98-102 (PubMed)
- [10] N. Gal and V. Stoicu-Tivadar, " Using genetic algorithms to generate inference rules for semantic analysis of medical images", 32th National Conference of Medical Informatics - RoMedInf2012 – in Timișoara, Novembre 15th-17th, 2012,
