

**ACADEMIC PROGRAMME NON - FEE - PAYING REGIME** – Candidates admitted on this regime are financed by the State budget for all their tuition fees and partially for their accommodation fees at university hostels.

**The competition for accessing to the Academic Programmes Non - Fee - Paying Regime takes place yearly.** The Fee - Paying Regime or Non Fee - Paying Regime Status is established at the end of each university year for the next one, according to the learning results of the previous years.

Consequently, the candidates admitted in 2008 preserve their Fee - Paying Regime or Non Fee - Paying Regime Status only during the university year 2008 / 2009 (see Decision of the “Politehnica” University of Timisoara Senate No.1 / 26.01.2006)
