

ERASMUS OPEN DOORS

Evenimentul, organizat de către Departamentul Relații Internaționale, Biroul Erasmus+, a avut loc la Universitatea Politehnica Timișoara- BiblioTech Café în 9 martie 2017, între orele 13:00-15:00.

La eveniment au participat atât studenți Erasmus incoming, cât și foști studenți outgoing.

Pe parcursul evenimentului, au avut loc discuții libere despre importanța programului Erasmus pentru studenți cât și despre motivele care i-au determinat să studieze câteva luni la UPT.

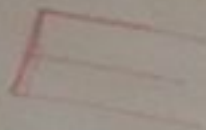

Discuțiile au fost deosebit de plăcute, captivante însoțite de câte o cafea, suc și câteva gustări delicioase. În acest mod, studenții s-au simțit mult mai aproape de cultura românească și totodată s-au bucurat de o atmosferă relaxantă.

La rândul lor, și foștii studenți outgoing au împărtășit experiențele trăite peste hotare prin programul Erasmus și opiniile lor despre universitățile partenere.

În ultima parte a evenimentului, s-au făcut câteva fotografii reprezentative, iar studenții au avut șansa să împărtășească publicului atât verbal, cât și în scris opiniile și motivele solide care i-au convins să participe prin programul Erasmus+ la UPT.
