

LISTA LUCRĂRILOR
Arh. Leontiu Flaviu-Cristian

- [1] Flaviu – Cristian Leontiu ” Analysis on existent thermal insulating of the Historical Building Exterior Envelopes”, Journal of Architecture Institute Vienna No. 1/2014 pp. 5 - 25, Architektur Institut Verein für Bildung und Forschung Wien, Austria
- [2] Flaviu – Cristian Leontiu ” Analysis on existent thermal insulating of the Historical Building Interior Envelopes” Journal of Architecture Institute Vienna No. 2/2014, pp. 15 - 35, Architektur Institut Verein für Bildung und Forschung Wien, Austria
- [3] Flaviu – Cristian Leontiu ”Thermal Performance of the Historical Building Exterior Envelopes”, Journal of Architecture Institute Vienna No. 3/2015, pp 7-27, Architektur Institut Verein für Bildung und Forschung Wien, Austria
- [4] Flaviu – Cristian Leontiu ”Thermal Performance of the Historical Building Interior Envelopes – concrete case”, Journal of Architecture Institute Vienna No. 1/2015, pp 8-12, Architektur Institut Verein für Bildung und Forschung Wien, Austria
- [5] Flaviu – Cristian Leontiu, Metalgeländer (Balustrada metalica), Musterzertifikat (Certificat pentru model industrial) nr. 66264 / 20.11.2014 eliberat de Östereischen Patentamt; inregistrat si cu numarul 002775825-0001/21.09.2015, la OFFICE FOR HARMONIZATION IN THE INTERNAL MARKET - OHIM), clasa Lucarno 25-02.
- [6] Flaviu – Cristian Leontiu, Bauteil (Parte de constructie), Musterzertifikat (Certificat pentru model industrial) nr. 66778 / 20.05.2015 eliberat de Östereischen Patentamt; inregistrat si cu numarul 002803189-0001/29.09.2015, la OFFICE FOR HARMONIZATION IN THE INTERNAL MARKET - OHIM), clasa Lucarno 25-02
- [7] Flaviu – Cristian Leontiu and Corneliu Bob „Sustainability Of The Intervention For The Hygrothermal Rehabilitation Of A Historical Building Using An Inner Heat Insulation With Aired Layer” SGEM2016 Conference proceedings of International Conference of Social Sciences & Arts (Arts, Performing Arts, Architecture and Design, Section Architecture and Design) with ISSN 2367-5659, Viena, 2016
- [8] Flaviu – Cristian Leontiu and Corneliu Bob “Sustainability Of The Hygrothermal Rehabilitation Of A Historical Building By Using An Outer Heat Insulation With Aired Layer And The Replication Of The Borders” SGEM2016 Conference proceedings of International Conference of Social Sciences & Arts (Arts, Performing Arts, Architecture and Design, Section Architecture and Design) with ISSN 2367-5659, Viena, 2016
- [9] Flaviu – Cristian Leontiu and Corneliu Bob “Graphical Methods For Determining The Sustainability Of Investments In The Rehabilitation Of Existing Buildings”, Proceedings of SGEM Geoconference, Albena 2016
- [10] Flaviu – Cristian Leontiu and Corneliu Bob “Contributions Concerning The Rehabilitation Of Some Glass Elements And The Heating System Of A Monument Type Of Protected Building With The Function Of A Residential Building” Proceedings of SGEM Geoconference, Albena 2016
