Dear Dr. Emanoil Linul,

since 2006 the University of Cagliari (UNICA) has supported its international education through the Visiting Professor Programme. This programme is sponsored by the local government Regione Autonoma della Sardegna (RAS decision n. 53/69, December 20th 2013).

On behalf of UNICA, it was a great pleasure to offer you a temporary appointment as Visiting Professor at the Department of Mechanical, Chemical and Material Engineering for a period of 1 month. Your stay was scheduled to take place in the period: June 1st-30th 2017.

Dr. Maria Cristina Porcu was your UNICA academic colleague of reference.

Yours sincerely

The Head of the Directorate
for Education and Orientation
Giuseppa Locci
