

THE FACULTY OF CIVIL ENGINEERING

COMPETENCES OF UPT GRADUATE IN:

Fundamental domain: Engineering Sciences

Master's degree study programme:

**„TRANSPORT INFRASTRUCTURES”**

(Master's study field: CIVIL ENGINEERING AND BUILDING SERVICES)

Nr. crt.	Competences
C1	Designing transport infrastructures
C2	Research, development, consultancy, technical assistance activities for transport infrastructures
C3	Coordinating execution works in transport infrastructures
C4	Determining the optimal solutions for the design, construction, maintaining and operating transport infrastructures in full safety
