

THE FACULTY OF MECHANICAL ENGINEERING

COMPETENCES OF UPT GRADUATE IN:

Fundamental domain: Engineering Sciences

Master's degree study programme:

„PROPULSION SYSTEM'S ENGINEERING FOR MOTOR VEHICLES”

(Master's study field: Automotive Engineering )

Nr. crt.	Competences
C1	Analyze, improving and optimization of the propulsion systems.
C2	Analyze, improving and optimization of the auxiliary systems.
C3	Hybrid propulsion systems.
C4	Analyze, modelling and simulation of the motor vehicle's parts.
