

THE FACULTY OF: MECHANICAL ENGINEERING

COMPETENCES OF UPT GRADUATE IN:

Fundamental domain: Engineering Sciences

Master's degree study programme:

„ ADVANCED MATERIALS AND TECHNOLOGIES”

(Master's study field: Materials engineering)

| Nr. crt. | Competences |
|----------|--|
| C1 | Advanced materials, phase transformations and specific structures. |
| C2 | Advanced processing technologies. |
| C3 | Advanced methods of investigations and quality control of materials. |
