

**POLITEHNICA UNIVERSITY TIMISOARA**  
**COMPETENCES OF UPT GRADUATE IN:**  
**Fundamental domain: Engineering Sciences**

**Master's degree study programme:**

**„SUSTAINABILITY: ENERGETIC AUDIT AND FIRE PROTECTION IN BUILDINGS”**

**Bachelor degree: Civil engineering and installations**

<b>No.</b>	<b>COMPETENCES</b>
1.	Activities for project evaluation and thermal insulation and fire safety building design
2.	Activities for thermal building expertise and energetic building audit
3.	Activities for onsite execution and maintenance in the energy and fire safety construction savings
4.	Activities for research, construction development, in the energy and fire safety construction
