## EVOLUTION OF BOOKS UNDER AFFILIATIONS OF UPT 2014 - 2018

A published book is indisputable evidence of research that has been performed, completed, and accepted by peers. Book is also an indicator of achievement of a certain academic standard. Besides communication of a finalised piece of research, the book is the basis for further opinions, views and critiques from fellow professionals and academics separated by time and distance. Most importantly, it represents the only permanent record of scientific work that has been completed.

In this chapter we present the books written by our professors and researchers, published at Romanian publishers as well as at international prestigious publishers.
